

# Glitel 1DRA

## Digital Telephone Socket

### Specification

Digital telephone socket Glitel 1DRA is designed as the end point of telecommunication network. Simple and functional design of Glitel 1DRA in white color is possible to use on wall with in-wall electrical box or directly on wall plaster using the plastic base. Digital telephone socket Glitel 1DRA is produced in more versions with one or two connectors. Glitel 1DRA is suitable to use in homes or businesses.

### Functions and features

- The end point of telecommunication network
- Simple and functional design
- Possibility to install Glitel 1DRA on wall plaster or in-wall electrical box
- Versions Glitel 1DRA with one and two connectors
- Versions with overcurrent protection

### Package

- 1x Telephone socket Glitel 1DRA
- 1x Plastic base Glitel 3DP034

## Parameters

Model	Mark	Description
<b>One connector digital telephone socket with plastic base</b>		
<b>Glitel 1DRA301.41</b>	DZ-So-A(8)-b	Telephone socket with one omni terminal block
<b>Glitel 1DRA301.91</b>	DZ-So-A(8)-b	Telephone socket with one omni Krone block
<b>Glitel 1DRA311.41</b>	DZÚ-So-A(4)-b	Telephone socket with one quadruple terminal block and resistors 2x 100 Ohm, end user version
<b>Glitel 1DRA311.91</b>	DZÚ-So-A(4)-b	Telephone socket with one quadruple Krone block and resistors 2x 100 Ohm, end user version
<b>Two connectors digital telephone socket with plastic base</b>		
<b>Glitel 1DRA302.41</b>	DZ-So-1A(8)1B(8)-b	Telephone socket with one omni terminal block, paralel moduls connection
<b>Glitel 1DRA302.91</b>	DZ-So-1A(8)1B(8)-b	Telephone socket with one omni Krone block, paralel moduls connection
<b>Glitel 1DRA312.41</b>	DZÚ-So-1A(4)1B(4)-b	Telephone socket with one quadruple terminal block and resistors 2x 100 Ohm, paralel moduls connection
<b>Glitel 1DRA312.91</b>	DZÚ-So-1A(4)1B(4)-b	Telephone socket with one quadruple Krone block and resistors 2x 100 Ohm, paralel moduls connection
<b>Glitel 1DRA602.41</b>	DZ-So-1A(8)/2A(8)-b	Telephone socket with two omni terminal blocks, separate moduls connection
<b>Glitel 1DRA602.91</b>	DZ-So-1A(8)/2A(8)-b	Telephone socket with two omni Krone blocks, separate moduls connection
<b>Glitel 1DRA612.41</b>	DZÚ-So-1A(4)/2A(4)-b	Telephone socket with two quadruple terminal blocks and resistors 2x 100 Ohm, separate moduls connection
<b>Glitel 1DRA612.91</b>	DZÚ-So-1A(4)/2A(4)-b	Telephone socket with two quadruple Krone blocks and resistors 2x 100 Ohm, separate moduls connection
